

Payment facility Procedure

Payment Facility: available on larger project agreement over £200. Please contact us to request this service. Please bear in mind that the final payment will be due a month before completing an order depending on your chosen structure of payment.

For projects requiring a deposit and the amount of order is over £200, you can request a payment facility after paying your deposit.

We can waive the deposit for our website design bundles service and offer you a payment facility from the start of your order to help you budget your payment.

You can change your payment structure or schedule payment offer date to suit your need. We will adjust your payment due to reflecting any change in your payment facility. You are allowed to change your payment structure or scheduled payment date offer once.

Before accepting your request of a payment facility, we required your debit card or credit card detail to start your payment facility account. You must provide your cards details when requested. If you refuse, we would not be able to offer you any payment facility for your website design bundles order.

You can order your payment facility request directly from the website bundles payment structure by completing our quick and easy online form. We will verify all information provided and set up your account after verification of your online order.

If you are wary of providing your information online, we will ask you to provide your information over the telephone. We will verify all information provided and set up your account after verification of your manual order.

Providing your debit or credit card detail is an easy and convenient method to manage your budget and pay for your monthly instalment payment on time without the added stress. We will only charge the amount owed monthly on the agreed date depending on your selected payment structure.

You must ensure that the monthly payment owed is available in your bank account for collection on the date agreed. Make sure that you have enough fund to cover your monthly payment owed.

We will advise you if your merchant declines the payment and you must provide us with another payment card. If you do not have any other debit/credit card details to offer, we would ask you to pay by any other payment method we accept by direct debit.

Your debit/credit card details provided securely kept on our system, and you can request to have your details removed of our system any time. You must pay any remaining balance or full payment using our payment method accepted on the removal of your details. Before cancelling your request, you must agree to pay by direct debit.

We reserve the right to refuse your request to remove your card details if you refuse or do not agreed to pay by direct debit to recover our fund promptly, we will not remove your card from our system. You must make the monthly payment at the agreed date before your card removed.

Bear in mind that we cannot guarantee that we continue providing you with your payment facility if your card removed.
